## VALE

The QIBA members would like to express their deepest and heart felt sympathies to the family of Bob Caffrey who was one of our State Players and will be sadly missed.

Our thoughts also go out to Brett Farrell and his family who sadly lost his father so soon after having said good-bye to both his mother and a sister in the last 12 months.

To any of our other members who may have lost a love one our sympathies and best wishes to you also.

Also on behalf of all our members I would like to wish any of our fellow bowlers who may not be feeling well. We wish you all a speedy recovery. I will not mention names as I am sure there are bowlers out there who are not feeling well and that I am not aware of.

### **Coral's funnies:**

#### *"Shampoo Warning"*

*I don't know why I didn't figure this out sooner,*

*I wash my hair with shampoo and the label warning reads*

*"For extras body and volume." No wonder*

*I've been gaining weight so I diced the shampoo and use "Dawn dishwashing liquid" which reads*

*"Dissolves Fat that is difficult to remove.*

*Problem Solved*

**The 2013 Craft Competition** was very disappointing this year with only 2 entries. Therefore this competition was cancelled and means that maybe we should consider cancelling this altogether. Unfortunately since Kaye Marshall stopped doing this the interest has wained considerably. If however someone would like to take responsibility for this competition maybe we could keep it going as it would be a shame to lose something in which we can show off some of our skills apart from bowls.

## On the Carpet. Ten Questions With Angus Young.

***What made you start playing indoor bowls?***

When I was young I liked watching the 'Jack High' lawn bowls show on T.V.. There was an indoor bowls club that played across the road from my place so I just tried it one night.

***Describe yourself in three words.***

Honest. Competitive. Confidential.

***What (if any) are your pre-match routines?***

Sometimes listening to loud music and an early morning swim if the event is on the coast.

***What is your favourite food?***

Japanese or Italian... depends on the night.

***What are your interests outside of bowls?***

I play lead on the Australian men's curling team. I also like singing, playing guitar and hiking. I also like cooking and eating out with friends.

***What is your favourite holiday destination?***

Luzerne, Switzerland.

***What is your favourite T.V. show?***

Mad Men.

***What is your favourite band/musician?***

Crowded house, INXS, Chris Isaak, Bee Gees, Barenaked Ladies ... just to name a few!

***Who is your favourite sportsman?***

Adam Gilchrist... Cricket was my favourite sport growing up.

***What are the three things that you always travel with?***

Boat shoes, white handkerchief and a silver florin.

**National Titles held in Toowoomba**

I would like to congratulate everyone for the outstanding work that was done by all concerned in running this event.

I would like to also congratulate all the players in a job well done. A special mention to all medal winners. Well Done. It is not easy to win a medal in this event as the competition can be very tough. I know a few teams just missed a medal on percentage only or the barest of margins. Well done. To all players I believe you all played the game in the spirit it is meant to be played.

Occasionally emotions do take over inappropriately but I believe that this is not always bad as it shows a passion in the game you play.

To everyone once again well done and hopefully we can be just as competitive next year and bring home the trophy. It is time it came back to QUEENSLAND.
