48th National Championships, Queensland had a team of 58 travelled to Devonport Tasmania. Some quality team bonding during the first few days in Devonport. From an organised bus tour, road trips together to camp kitchen dinners in the Discovery Caravan Park which then extended to other players from states (Victoria and New South Wales).

Tuesday morning arrived and everyone was ready to get down to the business ahead. It was fantastic to see Queensland's best players competing to the best of everyone's ability and most importantly having fun. At the end of the first couple days play there where some interesting results had started to develop. Our team manager and assistants were working hard crunching numbers. By the end of Friday's play Queensland had a number of players and teams in close contention for medals. Which colour medal these players would receive all came down to results from the completion of the last game.

Congratulations to the following medal winners:

Gold Medal

Errol Weir and Ryan Wigand
