## RESIGNATION OF PATRON ROCKHAMPTON & DISTRICT INDOOR BOWLS

MRS. GLORIA BROWN.

Due to continuing ill health Gloria has resigned from being Patron of the Rockhampton & District Indoor Bowls. She will be missed by all who have come in contact with her.

Gloria has been a much loved member of Rockhampton Indoor Bowls and associated Clubs since joining Q.R.I. in approx. 1976. Gloria and her beloved husband Fred travelled to many Competitions throughout Queensland and were an invincible team with their knowledge of Indoor Bowls. Gloria followed Fred as Patron of R.& D.I.B.A following Fred's passing in 2009.

Gloria has had a full life with her kind heart and the supply of Iced Fruit Cakes that she made and Iced for Raffles and Cent Sales for many years. All members wanted to win Gloria's cake and we miss them now that she can no longer carry on what she loved doing.

All members of the Rockhampton District wish GLORIA well for the future and hope she has a long & enjoyable life with her children and grandchildren.

Afternoon Tea was held in the Kent Street Hall on Sunday, 24th March attended by Joyce & Reg Ferguson and many Indoors Bowlers from Rockhampton, Callide & Port Curtis. Reg was also celebrating his 89th Birthday.

Do you keep A Bag Of Flour In The Fridge??? This was sent to me in an email.

Impressive! Why did we never hear of this before??? I've always just run it under the cold water tap.

Some time ago I was cooking some corn and stuck my fork in the boiling water to see if the corn was ready.

I missed and my hand went into the boiling water. . .

A friend of mine, who was a Vietnam vet, came into the house, just as I was screaming, and asked me if I had some plain old flour. . . I pulled out a bag and he stuck my hand in it. He told me to keep my hand in the flour for 10 minutes which I did.

He said that in Vietnam , there was a guy on fire and in their panic, they threw a bag of flour all over him to put the fire out. . .Well, it not only put the fire out, but he never even had a blister!!!!

Long story short, I put my hand in the bag of flour for 10 minutes, pulled it out and did not even have a red mark or a blister and absolutely NO PAIN.

Now, I keep a bag of flour in the fridge and every time I burn myself. (Cold flour feels even better than room temperature flour). I use the flour and have never ONCE had even a red spot/burn mark, or a blister!

I even burnt my tongue once, put the flour on it for about 10 minutes. . .the pain was gone and no burn.

Try it . . . Experience a miracle! Keep a bag of flour in your fridge and you will be happy you did!

Don't run your burn area under cold water first, just put it directly into the flour for 10 minutes.

## THE SILENT TREATMENT

A man and his wife were having some problems at home and were giving each other the silent treatment.

Suddenly the man realized that the next day he would need his wife to wake him at 5:00 AM for an early morning business flight.

Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper, "Please wake me at 5:00 AM." He left it where he knew she would find it.

The next morning the man woke up, only to discover it was 9:00 AM and he had missed his flight.

Furious, he was about to go to see why his wife hadn't wakened him when he noticed a piece of paper by the bed. The paper said, "It is 5:00 AM. Wake up."

## Have a Laugh

*Little Zachary was doing very badly in maths.*

*His parents had tried everything ..... tutors, mentors, flash cards, special learning centres. In short, everything they could think of to help his maths.*

*Finally, in a last ditch effort, they took Zachary down and enrolled him in the local Catholic school. After the first day Zachary came home with a very serious look on his face. He went straight to his room and started studying.*

*Books and papers were spread out all over the room and little Zachary was hard at work. His mother was amazed. She called him down to dinner. To her surprise, the minute he was finished, he marched back to his room without a word and, in no time, he was back hitting the books as hard as before.*

*This went on for some time, day after day, while the mother tried to understand what made all the difference. Finally, little Zachary brought home his report card. He quietly laid it on table, went up to his room and hit the books.*

*With great trepidation, his mum looked at it and to her great surprise, Little Zachary got a "A" in maths. She could no longer hold her curiosity.*

*She went to his room and said, "Son, what was it? Was it the Nuns?" Little Zachary looked at her and shook his head, "No."*

*"Well, then," she replied, "was it the books, the discipline, the structure, the uniforms? WHAT WAS IT?" Little Zachary looked at her and said, "Well, on the first day of school, when I saw that guy nailed to the plus sign, I knew they weren't fooling around."*

An elderly man was stopped by the Police around 2am and was asked where he was going at that time of night.

*The man replied, “I'm on my way to a lecture about alcohol abuse and the effects it has on the human body, as well as smoking and staying out late.*

*The officer then asked, “Really? Whose giving that lecture at this time of night?”*

*The man replied, “That would be my wife.”*

### **Favourite crime joke**

A turtle is crossing the road when he is mugged by two snails.

When the police show up, they ask him what happened.

The shaken turtle replies, “I don't know. It all happened so fast.”

# 50 years

**Queen's Beach Indoor Bowls Club Inc. Celebrated its 50<sup>th</sup>. Anniversary on February 18<sup>th</sup> The club commenced in 1963.**

The Club formed part of the Redcliffe Association in 1969

Members and invited guests had a very enjoyable night, playing two games of bowls, after which followed a delicious supper.

Patron Vern Langsdorf, a member of the Club for forty four years, Vern also held the position of President for some 20 yrs. was given the privilege of cutting the Anniversary cake. A history of the Club had been compiled, and provided to those present with some interesting items of the past.

The club has played in the same venue for all its fifty years even though the adjacent church which owns the hall has had different managements. Firstly the Methodist Church which became the Uniting Church and when that moved to a new location in 1998 the property was bought by the Samoan 7<sup>th</sup> Day Adventist Church, the trustees of which allowed the club to remain and to rent the hall. All the rental fees have been low for which the club has been grateful.

Membership of the club has varied over the years. Records show that in 1997 our membership was 84, our highest ever. Sadly today our membership is 26.

Playing fees were regrettably raised from sixpence to one shilling in January 1964 and later in the year at the AGM to two shillings in 1975. Membership fees were one dollar and playing fees on Monday nights were thirty cents and Thursday afternoons twenty cents.

In 2007 John Norton became President and in 2009 Jen Schumacher was elected President. In 2011 John again took on the position as President, a position he still holds. Over the years there have been 10 secretaries, with the current one, Marie Langsdorf holding the position since 2007 after resigning from the position of treasurer, a position she held from 1997. There have been 13 treasurers; the current one is Lois Norton who took on the position in 2007.

Our club is functioning well and even though our membership is only 26, we enjoy the friendship that is displayed on our Monday nights and Thursday afternoons. We still run some competitions and look forward to the 1<sup>st</sup> Monday and 1<sup>st</sup> Thursday of each month when we socialise with supper and afternoon tea after our trophy games. We encourage our members to participate in the Redcliffe Association games because without support from local and outside clubs it is struggling to keep active. Our yearly visitor's night is looked forward to, as is our Christmas dinner.

As a memento of the occasion, everyone present was presented with a crystal glass, suitably engraved, and a copy of the Clubs history.

The Club plays at the church hall, cnr.Griffith Rd. & Prince Edward Pde. Scarborough on Monday nights & Thursday Afternoon, and will welcome new members at any time. For further information please phone John Norton 32044809 or Marie Langsdorf 32037752.
