Trans Tamsan Test Match  
Held Mounties Sports Club  
Mt Pritchard Sydney

I am writing to give a small insight to my journey to the Australian team and my experience in and at the international.

In January trial were held, not knowing what to expect it was a mixed bag of emotions, anyone that thinks it's easy to get into an Australian team is mistaken I had blister on my knees from the gruelling 80 plus end we had to play over a day and half of trial then came the heartbreak time of total shock, I never thought I could make it so young and first time but stunned I walked out to join the Australian team.

It still hadn't sunk in but people were on phones to family everywhere some happy some sad. Next minute you had forms being given to you, information flying around people giving you uniforms to try one. It was a whirly wind of what just happened.

Then it was a lonely practice time, I had to travel home on my days off to Toowoomba and dad or mum would practice with me, all seemed so slow until the day my uniform arrived in the mail, which was exciting and to try it on and fitting so perfectly what a memorable moment.

The day came and off to Sydney we go, mixed emotions but I was mainly excited, the team spirit was great and old players excepted the mewbies in so well. It was hard to now what it was going to be like playing New Zealand as everyone kept saying they are so good, but how good was good.

We practiced, had team meeting, bonded, joked and even had a beer with some of the team. Then the first day of play came and what did we have but a taxi strike in Sydney we were late for the start of play

I would like to thank Hayden Weir for providing an insight on his journey in achieving selection and play for Australia.

## Coaching Clinic held at Pittsworth

May 27<sup>th</sup> and 28<sup>th</sup>

Queensland Indoor Bias Bowls Coaching

Pittsworth & District Indoor Bowls Association had the privilege to host the Queensland Coaching Clinic on 27<sup>th</sup> and 28<sup>th</sup> May 2017 in the Pittsworth Town Hall.

Three very talented coaches gave up their time to come and provide their knowledge and expertise to 30 keen members from the association. Over three different game styles 4 &  $\frac{3}{4}$  inch bowls on 24 foot mats (Queensland standard), 4 inch bowls on 24 foot mats (Queensland & International standard) and 4 inch bowls on 30 foot mats (National Standard)

Carmel and David Blyth two of Queensland coaches had just returned from Sydney representing Australian at the Trans -Tasman Test match against New Zealand.

A point of view from a participant

**A most informative & successful week-end coaching clinic was held in the Pittsworth Town Hall May 27 & 28.**

**Coaches Carmel, David Blyth & Nelson Thomas were so helpful & tolerant, sharing their knowledge & expertise with us novices.**

**On the Saturday, we were given individual guidance & advice re stance, the holding of the bowl & its delivery, etc. – followed by the putting of these finer points into practice.**

**Sunday saw the more advanced players given expert tips on establishing different strategies & techniques.**

**All attendees had very positive feedback, assuring me they gained improved bowling skills, as well as having enjoyed the two days!**

**Personally I found the week-end most beneficial. I am now much more relaxed & confident when I step up to the mat, aware of the correct nuances of the game.**

**Thank you to the coaches for their professional help, their time & their patience.**

**A special thanks to Sheree and Ros for organising the week-end for us.**

**Scotia McCawley - St Peter's Club, Pittsworth**

Judy Fry receiving some finer tips in how to deliver the bowl from Coach Carmel Blyth

Margaret and Winston Small concentrating on how to negotiate bowl through the wooden bridge under the watchful eye of Coach David Blyth

Pittsworth Pairs Champion Val Hohn practicing and refining her technique at coaching clinic
