Assistant Secretary:	Annette Dunstan
Treasurer:	Roslyn Richter
Patron:	Beverly Richardson
Publicity Officer:	Kyle French
Past President:	Jason Moore

The Queensland Indoor Bowling Association Incorporated would like to acknowledge the funding support of Sport and Recreation Queensland.

First off I want to congratulate David Blyth. We have all heard how he went at the test match against New Zealand, so I won't go into that too much as there will be more later, but congratulations David, we are all proud of you.

I wish to thank everybody for their feedback on the first issue of the QIBILO. The good and the constructive. Any feedback is good as it helps me make the changes required. I am playing around with the font a little in this issue, so please feel free to let me know if it is too small or simply too hard to read and I will make changes to the next one.

On a personal note, I recently played in the Boonah Carnival. It was a lot of fun, and it was great to see a few from up north coming down to play in this one. Obviously it is a long way to come, so it is so great to see them making the effort to come down and play. So to everybody that came all the way, thank you and I hope to see you again soon ☺

We have the National Titles coming up shortly and the teams are now out. We are travelling down there as a family and competing as one. If we support each other anything can happen. Let's get down there and make some noise 😊

I am again asking for more information (and I don't mind if I get this from 10 people, its - better that than no one)

- Can you please provide me with updated club information? What I would like is:
 - Club Name
 - Day and time club plays
 - Club Location
 - President Name and Number
 - Secretary Name and Number.

- Obviously it is a long time away, but can you also provide me any information (date and location) of any tournaments you have booked in for next year. If you don't have the date for next year, but it was played this year please provide me the date it was this year. I can use this as an indication for something else I am working on.

As always, if there is anything you would like added to the next QIBILO please let me know so I can get to work on it.

Lastly I would like to apologize to the few people that I either had a wrong surname or spelling or even missed completely. Thank you to those that pointed it out. I appreciate any and all feedback.

Good luck to everybody for the titles this weekend.

Kyle French
Publicity Officer

President's Ponderings

It is hard to believe that we are already more than half way through the year. The State team has been selected and about to head into the last few weeks of good practice before heading down to Warrnambool Victoria. I would like to take this opportunity to wish the team all good bowling at the Australian Championships and hoping Queensland can secure many medals in Bronze, Silver and Gold. Congratulations and Welcome to the new members of the team. I hope you all enjoy the experience of the week of the Championships. If you have any questions please do not hesitate to come and see and I will help you out to the best I can.

Congratulations to David Blyth on winning a Gold Medal in the Mixed Fours as Skip in the Trans-Tasman Test match against New Zealand in May. Unfortunately he missed out in the Mixed Pairs. Overall Australia performed very well but missed out on the overall trophy. Well Done David you did yourself, State and Country proud.

Mother Nature decided to play havoc on the Friday of our State Championships in May causing flooding stopping numerous players from getting to Caloundra for the Pairs on the Friday night. Saturday morning was a little bit easier but flooding was still a bit of problem. I would like to thank all those players who still came and played over the weekend. Your support is appreciated by all. Congratulations to all the winners and runners up over the weekend. Thank you also for supporting all our raffles and lucky numbers.

The fundraiser for the QIBA this year is wine. Red or white? What's your preference? These bottles will be labelled for the QIBA with our logo. Buy a couple for yourself or as gifts. Please get behind us and support the QIBA. I'll be buying a bottle or two to add to my wine collect!

Restricted Pairs were recently held in Biloela. I would like to thank the Callide Valley Association for all their hospitality on that day. It was welcome by all those players attending. Congratulations to the winners and runners up.

Bowls went a little longer than anticipated and the meeting started about half an hour late, but overall things went well. A big THANK YOU to Justin Weir and David Blyth for carting the bowls mats and extra bowls required for us to use for the Pairs.

Date to Remember: Saturday 3rd, Sunday 4th and Monday 5th October (the long weekend) is our next State Championships held at Caloundra. Ladies and Gents Pairs, Open Singles and Triples. Get your nominations in to your Secretaries for nomination. Nominations close two weeks prior to the Championships. If you haven't got anybody to play with and would like a game, let your Secretary know to submit your name and we will endeavor to get you a game.

I would like to wish everyone good bowling, enjoy yourself, have fun and I'll see you on the mat!

In May, our President and only Queensland representative in the Australian Team, David Blyth went over to New Zealand to play in the Trans-Tasman Test Match against New Zealand. David did us all proud by bringing home the Medal in the Mixed Fours. On all accounts David played extremely well and is a deserving winner of the medal. Congratulations to David from the Caloundra Committee of Management and all association members.

The Queen's Birthday Long weekend in June, we held our carnival. We would like to thank all of those players both locals and from other associations who came and supported us. Your support of this event is very much welcome.

At the end of June, we started practice on the 30ft carpets with the 4" bowls for our members who are travelling to Warrnambool for the Australian Championships.

We would like to also congratulate Brian Jones for making the Queensland Indoor Bowling Team. Brian is playing second in the Gents Fours. This is Brian's first time in the Queensland team and we wish good bowling. We would like to wish David and Carmel Blyth, Bradley and David Stoker and Ryan Weigand good bowling in Warrnambool also. Let's hope you can bring back a medal!

Dates for you to write down for alter in the year 28th and 29th November for our Christmas Weekend of Bowls. Saturday 28th starts at 1pm for 4 games of 4 x 2. On Sunday 29th is our 5 game day. Do hope to see you all here catching up with friend and for a great weekend of bowling.

Good Bowling to all and see on the mat!

From our Kiwi Neighbors!

I asked Carmel to write something for me as I played with her and her son for a few years when I lived in Christchurch. Carmel is the secretary for Canterbury Indoor Bowls. She was there first had when the earth quake struck which devastated the bowling community.

I started indoor bowls in 1972 while I was still at primary school and have served on indoor bowls committees since. I have been President of the NZ Catholic Indoor Bowls Federation, Canterbury Catholic Indoor Bowls Association and currently doing about my fifth term as President of my club. I met my late husband through indoor bowls and have two children Nicole and James who also play the game however my daughter is having time off since giving birth to triplet sons last year. My son won his second South Island title last year and was selected in the South Island team where he won a medal in the Triples. I also have four siblings who play the game so there is much rivalry one of them, Kevin Anngow has played for New Zealand back in the late 1990s. Indoor bowls is a great game than can be played by all ages, which can be a great leveler.

The Canterbury Earthquakes have been a real setback for me and my family, with 3 generations of us losing our houses in the devastating quakes along with others needing to have major repairs done. We also lost our local parish church.

Along with this, being employed by Canterbury Indoor Bowls their premises had over \$1m worth of damage so my office had to be relocated to my home in the red zone and then when I moved from there it was another shift for the office. Working from home has its advantages and disadvantages. One advantage is being able to have glide time.

Another huge blow for Canterbury Indoor bowls was a fire at the Bowls Stadium in Kearneys Rd on 19th September last year, where we lost the Offices, kitchen, dining, lounge, bar and meeting areas along with both the men's and women's toilet blocks. For safety reasons these areas had to be immediately demolished. This is a huge setback as the building was on schedule to reopen for our 2015 season for the first time since the earthquakes. Now we are planning ahead for a 2016 reopening following a major repair.

I am fortunate enough to be able to travel to various Indoor Bowls Tournaments and enjoy playing in the Catholic Nationals on a regular basis, and also the National Champs. I am a Life Member of my club St Pauls who had only shifted to the Canterbury Indoor Bowls Hall as the club venue the season prior to the major quake so that was another problem to work through. As President of our Club this was sorted and we are grateful to Woolston Working Mens Club for allowing our club to use their premises on weekly club nights.

Life goes on, it hasn't been easy and there have been lots of difficult times, but now we have to look forward to the future. I am so glad I have so many great friends in our sport who have been very supportive during these difficult times. It is great to have something to look forward to and having planned trips away to indoor bowls been great, there is always a trip in the planning stages.

I have been asked to do a player profile on a couple of people already. At this stage I have not been able to get it completed. As it will not fit in this issue. I will ensure I have it completed for the next issue out in time for the October Titles.

Umpires Corner

Skip's Rule

Don't forget – the skip is there for a reason. If they ask for a shot, they will have a reason for it. Bowls is a mind game so they will be trying to build a head the best way they can use it. If you really can't see a shot, let them know. If you still don't see it and they want you to still play the shot they called, give it your all. As long as you try your best nobody will hold that against you.

Using the Matt / Box

Don't forget – your feet can not be on the matt when you bowl (including your big toe 😊)

Your bowl must also be delivered out the front of the box and not the side.

Stepping onto the Matt

With nationals coming up, and the refresher at the first team trial. Players cannot go up to the head unless asked by the skip. Feel free to let them know you want to look, but until they call you up, you must stay back, it is the same for the third when the skip is bowling. The Third cannot get onto the mat to let the skip know what is going on – eg who has shot, or what to play – unless the skip has asked first.

Time Limit

Don't forget, there is a one minute time limit for you to deliver your bowl after the last bowl has come to rest. That's plenty of time for the skip to call you up, have a look and get back to play. If you are concerned, try timing yourself the next time you play 😊

I would appreciate any feedback you can provide. The only way we can make the QIBILO what you want it to be is to provide feedback.

What do you like about this edition of the QIBILO: _____

What would you like to see changed or added: _____

Any feedback would be greatly appreciated, as well as flyers for upcoming events or even just the event details and I can get those into the next edition of the QIBILO. The more responses the better. I will do my best to cater to everybody, but I am sure you understand I will not be able to do everything at once, but I will do it all as quickly as possible.
