That the events of the May State Titles be changed to the following played with 4-inch bowls on 30ft carpets under modified Australian Rules:

(Const. 24 (3,4,5,6) Secret Ballot. Secunder required.

Motions raised from the floor require a majority to pass. Secunder is required. Show of hands or secret ballot.

NOTE: it must be voted to have a secret ballot on motions raised from the floor.

FROM CONSTITUTION:

22. (1) At any general meeting the number of delegates and office bearers required to constitute a quorum shall be double the number of office bearers presently on the Management Committee plus one

That the July State Championships remain the same.

That the events of the October State Championships be changed to the following played with 4 ¾ inch bowls on 24ft carpets under Queensland Rules:

Friday – Open Pairs, Junior Pairs (6:45pm Start)

Saturday – Men’s Singles, Ladies’ Singles, Boy’s Singles, Girl’s Singles (9:00am Start)

Sunday – Rinks (8:30am Start)

Rationale:

The nominations for the October State Championships have been declining significantly over the last ten years. Furthermore, majority of associations registered with the QIBA currently use 4-inch bowls over 4 ¾ inch bowls. The nominations for the July State Championships have continued to be the most competitive and supported by members with largest pool of nominations received.

The proposal addresses these notions by:

1. Installing two State Championship Weekends with 4-inch bowls and one with 4 ¾ inch bowls to reflect the majority of associations who now play with 4-inch bowls and promote more nominations as supported by largest nomination pool coming from the current July State Championships.
2. Moving the current May State Championships to October to maintain the prestige and history of the event while promoting more nominations in the least supported State Championship Weekend.
